

## Office in Nicosia City Centre NIC00476

صربق, ايسوقين

Luxury office in Nicosia City Centre in an old well maintained building close to many amenities. The covered area is 122 sq. m. The office consists of reception room, 2 office rooms and 1 executive office room with conference table inside, small kitchen and 2 toilets. The floor is made of marble and solid parquet, cabinets are from solid wood, it is fully furnished with expensive furniture and there is a central climate control. Moreover, there is one parking space with the option of renting a second one at a small fee per year. The office needs a small maintenance that will be sorted out before purchasing.
